

FRANCISCAN FOUNDATION FOR THE HOLY LAND FACTS AT A GLANCE

PRINCIPLE PURPOSE AND MISSION

Founded in 1994, Franciscan Foundation for the Holy Land (FFHL) was created and established by Franciscan Custody of the Holy Land to help stop the Christian exodus from the region. Through numerous humanitarian programs and projects, FFHL is working tirelessly to provide needed resources for Christians to remain in their land.

THE CHALLENGE

Today there are approximately 175,000 Christians living in the Holy Land, making up about .2% of the total population. Due to severe political and economic hardships, an estimated 300 Christian families leave the Holy Land each year. This steady emigration suggests that one day the Christian community and church may cease to exist in this part of the world. As the Christian population struggles to thrive, oftentimes survive, FFHL uses every available resource to connect Christians with jobs, education, housing, and other opportunities.

Church leaders predict that if the current exodus continues, Christianity could easily cease to exist in the Holy Land within 50 years.

One of the solutions to this problem has been providing financial assistance towards higher education, which leads to economic advancement and stability. We believe that our University Scholarship Program is the cornerstone of the solution.

UNIVERSITY SCHOLARSHIP PROGRAM

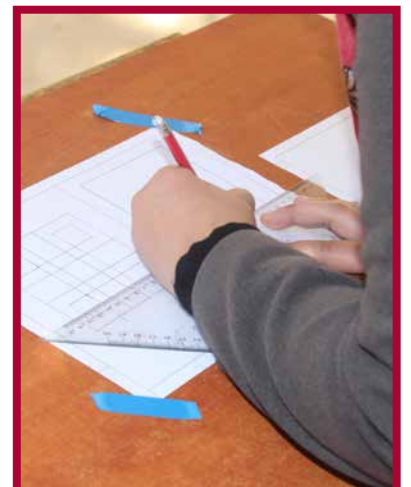

Since 1997, FFHL has given full university scholarships to more than 530 students who were economically marginalized but had strong academic talent. FFHL underwrites four years of college including tuition and books. Hence, through the generosity of Christians in the U.S., FFHL is holding the 'educational doors of opportunity' open for the Christian community in the Holy Land.

PROGRAM GROWTH

Over the last 20 years, FFHL has given over \$6 million in both university scholarships and special educational grants to Christian students. The current graduation rate is 97%.

DEDICATED LEADERSHIP

Father Peter Vasko has led FFHL since its founding in 1994. He is aided by a volunteer Board of Directors dedicated to helping Christians living in the Holy Land survive and prosper in the very place of Christ's birth, life, death and resurrection.

Father Peter is a strong champion and advocate for serving those in need. He ministers to many, and works tirelessly to bring people together in peace and security through serving as:

- U.S. Embassy and Municipality of Jerusalem liaison to the White House, including providing tours for presidents and many dignitaries.
- Chaplain for the Marine Security Guard for the U.S. consulate in Jerusalem.
- Franciscan Custody Board of Directors, representing the care of the holy sites in the six countries it governs in the Holy Land.
- English definator for the Custody of the Holy Land for 13 years.

Father Peter has lived in Jerusalem for more than 30 years. Prior to entering the Franciscan Custody of the Holy Land in 1981, he had a 10-year career in marketing and public relations. He has been recognized by the Vatican for his work.
